

CONNECTIONS ACCOUNT REFUND

Students withdrawing or graduating from SUNY Cortland may choose to close their Connections account.

Balances under \$25 will not be refunded. Refunds will be issued by check to the last address on record and processed after receiving the necessary paperwork from the Registrar's office. *Closed accounts may not be reactivated for sixty (60) days.*

I attest to the fact that I will no longer be attending SUNY Cortland due to graduation, withdrawal from the college or student teaching. I request a refund check for the remaining balance.
